

INTRODUCTION

A prestigious institution with a century old glorious history of providing quality education and well known as '**Nursery of Vice-Chancellors**', Gujranwala Guru Nanak Khalsa College is committed to support, guide and is also the first one to lend a helping hand as and when the students and society requires. Originally established in C.E. 1917, as Guru Nanak Khalsa College, Gujranwala (Pakistan), it had functioned as such till 1947. It has been reconstructed in Ludhiana in C.E 1953 as Gujranwala Guru Nanak Khalsa College. The founder of this institution S. Attar Singh had a great vision due to which the college had flourished. The **alumni** who had made the institution proud are; **Late Professor Mohd. Yusuf Abbasi (alumnus) of first batch of graduates (L937-4L), an eminent historian of Pakistan, served as Pro Vice-Chancellor of prestigious Qaid-i-Azam Jinnah University, Islamabad, Jasbir Singh Bawa passed intermediate in 1938 to enter R.I.M.S. (now N.D.A.) to rise to the position of Lt. Gen. and receive decorations AVSM PVSM. BL. Kalra graduated and earned appreciation from the Principal as 'our scholar; sportsman, counsel and musician'. He became a leading lawyer of Supreme Court of India. K.S. Narang, a distinguished civil servant made a name in Indian Punjab. His contribution to the establishment of P.A.U., Ludhiana and green revolution is remembered with gratitude.**

The college has established four sister branches; **GGNIVS, GGNIMT, GGNKC of PHARMACY and GGNPS. The college is approved under section 2 (f) and 12 (B) of the UGC Act, 1956 and NAAC accredited Grade B with CGPA 2.63 on four point scale along with ISO certification 9001:2015 & 2020.** The University of Wolverhampton, United Kingdom has signed an MoU with the institution for research and Sikh heritage cultural exchange programmes. It offers various streams of courses at U.G. and P.G. level, along with B.Voc. courses- **Web Technology and Multimedia, E-Commerce and Digital Marketing, Baking and Financial Services, Retail Management, Add-on Courses- Communicative English, Journalism, Bank Management, ISO certified courses- Web Designing, Basic Computing, Hardware Assembly and Maintenance, Desktop Publishing, Accountancy (Tally), Computer and Office Application, Certificate courses under Community College Scheme et all.** College has its vision & Mission:

VISION

To impart qualitative value based education as enshrined in the teachings of Guru Nanak enunciating the principals of co- existence, brotherhood and above all universal well-being.

MISSION

To imbibe the ideals of Guru Nanak amongst the youth in order to instill in their minds high moral values, instinct for social service

- To pursue and disseminate knowledge with commitment to all sections of society.
- To provide a platform to the students which prepares them to encounter the challenges of the competitive world by utilising their potential, skills and talent in various fields, like; academic programmes, sports, NCC, NSS.
- To create and provide opportunity for the overall development of students that can transform the society.
- To revive high ideals of students- teacher relationship so as to inspire the youth to have yearning for acquiring knowledge and professional skills.
- To enable the students to inculcate patriotism and sense of sacrifice for the country.
- To inculcate quality of competence, confidence and excellence among the students

The Internal Quality Assurance Cell has been established by the College since 2014 in adherence to the composition given by NAAC, Bangalore.

The seminar was headed by Rajya Sabha Member S.Sukhdev Singh Dhinda

During Covid -19 Lockdown

The IQAC of GGN Khalsa College was highly active during both the lockdown periods and was the 1st in entire Punjab to organize online Workshops/Symposium/Webinars.

1. Apr 27- May 01 2020, a workshop on 'Skill Development through Communication Skills' was organized which had covered almost all the latest challenges occurred due to COVID-19 while teaching Soft Skills like, Communication Skills and Personality Development. It had made extensive use of WEBEX, Google Classroom and WhatsApp for the efficient delivery of the lectures, assignments and assessments. The themes that were touched during the workshop; Barrier of Soft Skills for Landed Immigrants, Empowering Students with Effective Communication Skills for Personal and Professional Development, and Nitty Gritty English: From Bowling Talk to Tennis Talk- An Interactive Approach to Speaking and women empowerment
2. May 21-22, 2020, a Two Day National Symposium on 'Indian Education: COVID-19 Impact, Challenges and Opportunities' was organized to bring about the impact of COVID-19 pandemic. The online modules of pursuing various courses were discussed, like; ARPIT, SWAYAM, MOOC, etc
3. Jun 03- Jun 05, 2020, a Three-day National Conference on 'Financial Implications of COVID-19 on India with Special Reference to Punjab' was organized in which Dr. R.S. Bawa Vice-Chancellor, Chandigarh University, Gharuan, Mohali, Punjab and Dr. Raj Kumar, Vice Chancellor, Panjab University, Chandigarh presided over the conference. It had included and covered almost all the economic aspects related to the economy of Punjab and emphasized on the importance of providing digital marketing for selling essential products to the consumers. One of the resource persons had focused on Rs. 20 lakh crore economic packages announced by the prime minister for revival of economy and also supported the Atamnirbhar Bharat Abhiyaan of the government. The issue of palpable unrest of rural people of Punjab was raised which included rural labourers, the poultry sector as well as police treatment of the masses amid the lockdown. Certain measures like one-time (loan) restructuring, additional institutional funding, waiver of penal interest, policy innovations for triggering consumer demand, controlling cartelisation of raw material and changing criterion of affordability for GST applicability to help the industrial sector were emphasized upon

4. Jun 22, 2020, a one-day Hands on Workshop on the topic, 'Using PYTHON to Analyse the Data' was organized which proved to be beneficial for the teachers as well as the learners. It brought into the notice of everyone how to use the technology in hand to solve the problems related to research, etc. PYTHON seemed to be an easy way to analyse the data. (along with deptt of computer science)
